Amsterdam, 27 October 2011

ING Bank meets new EBA capital target

ING Bank announced today that, based on information of the European Banking Authority (EBA), it meets the new capital target as announced on 26 October 2011. The EBA announced that European banks must meet a 9% threshold for their core Tier 1 ratio under the EBA definition which includes valuing sovereign bond holdings at market rates. Based on the EBA press release, ING Bank meets this 9% core Tier 1 ratio threshold.

On 3 November 2011 ING Group will announce its full third quarter results.

ING PROFILE

ING is a global financial institution of Dutch origin, offering banking, investments, life insurance and retirement services to meet the needs of a broad customer base. Going forward, we will concentrate on our position as an international retail, direct and commercial bank, while creating an optimal base for an independent future for our insurance and investment management operations

IMPORTANT LEGAL INFORMATION

Certain of the statements contained herein are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results, performance or events may differ materially from those in such statements due to, without limitation: (1) changes in general economic conditions, in particular economic conditions in ING's core markets, (2) changes in performance of financial markets, including developing markets, (3) the implementation of ING's restructuring plan to separate banking and insurance operations, (4) changes in the availability of, and costs associated with, sources of liquidity such as interbank funding, as well as conditions in the credit markets generally, including changes in borrower and counterparty creditworthiness, (5) the frequency and severity of insured loss events, (6) changes affecting mortality and morbidity levels and trends, (7) changes affecting persistency levels, (8) changes affecting interest rate levels, (9) changes affecting currency exchange rates, (10) changes in general competitive factors, (11) changes in laws and regulations, (12) changes in the policies of governments and/or regulatory authorities, (13) conclusions with regard to purchase accounting assumptions and methodologies, (14) changes in ownership that could affect the future availability to us of net operating loss, net capital and built-in loss carry forwards, and (15) ING's ability to achieve projected operational synergies. ING assumes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or for any other reason.
