Margarete Haase holds a master's degree in Business Administration of Wirtschaftsuniversität Wien.

Hans Wijers (Dutch, 1951) was member of the Executive Board and CEO of AkzoNobel from 2002 until 2012. He started his career as an assistant professor and served on two think tanks for ministers before working as a management consultant for many years. Upon decision by the AGM, the appointment of Jan Peter Balkenende will be effective as of the end of the AGM on 8 May 2017. The appointment of Hans Wijers will be effective as of 1 September 2017. In light of a planned reduction of the total number of her board positions, the appointment of Margarete Haase will become effective at a later date upon decision of the Supervisory Board.

It is the intention of the Supervisory Board to elect Hans Wijers as its chairman to succeed Jeroen van der Veer in that capacity per the end of the AGM 2018. In order to ensure a smooth transfer of responsibilities to Hans Wijers, it will be proposed to the AGM to reappoint Jeroen van der Veer (Dutch, 1947) as member of the Supervisory Board for a period of one year. Jeroen van der Veer has been a member of the Supervisory Board since 2009.

It will also be proposed to the AGM to reappoint Hermann-Josef Lamberti (German, 1956) and Robert Reibestein (Dutch, 1956) for a next period of four years as members of the Supervisory Board. Messrs Lamberti and Reibestein have been members since 2013. After completing her four year term since appointment in 2013, Isabel Martín Castellá will retire from the Supervisory Board at the end of the AGM 2017, having reached the ING age limit for Supervisory Board members.

The proposed appointments to the Supervisory Board have been approved by the European Central Bank. The full details of all proposed (re)appointments and the composition of the Supervisory Board will be included in the proxy materials for ING's 2017 AGM on 8 May 2017, which will be published on 23 March 2017.
