

## ING to redeem two series of perpetual securities

### ING redeems USD 700 million 6.125% Perpetual Debt Securities and USD 1 billion 6.000% Perpetual Additional Tier 1 Contingent Convertible Capital Securities

Given the strong CET1 position at 14.6% as well as meeting comfortably AT1 and T2 requirements ING Group announced today it will redeem two series of outstanding perpetual securities: the USD 700 million of 6.125% Perpetual Debt Securities (the “6.125% Securities”) on the call date of 15 April 2020 and the USD 1 billion of 6.000% Perpetual Additional Tier 1 Contingent Convertible Capital Securities (the “6.000% Securities”) on the call date of 16 April 2020.

The 6.125% Securities (CUSIP 456837509 / NYSE: ISG) and 6.000% Securities (CUSIP 456837AE3) will each be redeemed in full in accordance with their terms, with payment to be made on 15 April 2020 and 16 April 2020, respectively.

The redemption price for the 6.125% Securities will be USD 25.00 per USD 25.00 principal amount security. The redemption price for the 6.000% Securities will be 100% of the principal amount of the securities. Accrued and unpaid interest due on the respective redemption dates will be paid in the usual manner to holders of record as of 1 April 2020 for the 6.125% Securities and as of 15 April 2020 for the 6.000% Securities. The paying agent for the 6.125% Securities and the 6.000% Securities is The Bank of New York Mellon, London Branch, One Canada Square, London E14 5AL, United Kingdom.

Any future decisions by ING as to whether it will exercise (or cause to be exercised) calls in respect of any of its debt securities (including its perpetual securities) will be made on an economic basis, taking into account the interests of all stakeholders. Other factors that ING will consider include prevailing market conditions, regulatory approval and capital requirements.

#### ING PROFILE

ING is a global financial institution with a strong European base, offering banking services through its operating company ING Bank. The purpose of ING Bank is empowering people to stay a step ahead in life and in business. ING Bank's more than 53,000 employees offer retail and wholesale banking services to customers in over 40 countries.

ING Group shares are listed on the exchanges of Amsterdam (INGA AS, INGA.AS), Brussels and on the New York Stock Exchange (ADRs: ING US, ING.N).

Sustainability forms an integral part of ING's strategy, evidenced by ING's ranking as Leader in the banks industry group by Sustainalytics and 'A' rating in MSCI's ratings universe. ING Group shares are included in major sustainability and Environmental, Social and governance (ESG) index products of leading providers STOXX, Morningstar and FTSE Russell.

#### IMPORTANT LEGAL INFORMATION

Elements of this press release contain or may contain information about ING Groep N.V. and/ or ING Bank N.V. within the meaning of Article 7(1) to (4) of EU Regulation No 596/ 2014. Certain of the statements contained herein are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results, performance or events may differ materially from those in such statements due to a number of factors, including, without limitation: (1) changes in general economic conditions, in particular economic conditions in ING's core markets, (2) changes in performance of financial markets, including developing markets, (3) potential consequences of the United Kingdom leaving the European Union or a break-up of the euro, (4) changes in the fiscal position and the future economic performance of the US including potential consequences of a European sovereign 2/2 debt crisis (5) potential consequences of a European sovereign debt crisis (6) changes in the availability of, and costs associated with, sources of liquidity such as interbank funding, (7) changes in the conditions in the credit and capital markets generally, including changes in borrower and counterparty creditworthiness, (8) changes affecting interest rate levels, (9) inflation and deflation in our principal markets, (10) changes affecting currency exchange rates, (11) changes in investor and customer behaviour, (12) changes in general competitive factors, (13) changes in or discontinuation of 'benchmark' indices, (14) changes in laws and regulations and the interpretation and application thereof, (15) changes in compliance obligations including, but not limited to, those posed by the implementation of DAC6, (16) geopolitical risks, political instability and policies and actions of governmental and regulatory authorities, (17) changes in standards and interpretations under International Financial Reporting Standards (IFRS) and the application thereof, (18) conclusions with regard to purchase accounting assumptions and methodologies, and other changes in accounting assumptions and methodologies including changes in valuation of issued securities and credit market exposure, (19) changes in ownership that could affect the future availability to us of net operating loss, net capital and built-in loss carry forwards, (20) changes in credit ratings, (21) the outcome of current and future legal and regulatory proceedings, (22) operational risks, such as system disruptions or failures, breaches of security, cyber-attacks, human error, changes in operational practices or inadequate controls including in respect of third parties with which we do business, (23) risks and changes related to cybercrime including the effects of cyber-attacks and changes in legislation and regulations related to cybersecurity and data privacy, (24) the inability to protect our intellectual property and infringement claims by third parties, (25) the inability to retain key personnel, (26) business, operational, regulatory, reputation and other risks in connection with climate change, (27) ING's ability to achieve its strategy, including projected operational synergies and cost-saving programmes and (28) the other risks and uncertainties detailed in the most recent annual report of ING Groep N.V. (including the Risk Factors contained therein) and ING's more recent disclosures, including press releases, which are available on [www.ING.com](http://www.ING.com), (29) this document may contain inactive textual addresses to internet websites operated by us and third parties. Reference to such websites is made for information purposes only, and information found at such websites is not incorporated by reference into this document. ING does not make any representation or warranty with respect to the accuracy or completeness of, or take any responsibility for, any information found at any websites operated by third parties. ING specifically disclaims any liability with respect to any information found at websites operated by third parties. ING cannot guarantee that websites operated by third parties remain available following the publication of this document, or that any information found at such websites will not change following the filing of this document.
